- Easy to clean and maintain
- Guaranteed to provide years of reliable, trouble free usage

FOR GRANDER BATHROOMS THAT
DEMAND WIDER SHOWERSCREENS,
THE GRANGE WALL TO WALL IS NOW
AVAILABLE WIDER THAN EVER.

GRANGE PIVOT SERIES OVERVIEW

STEGBAR'S GRANGE PIVOT DOOR SERIES IS UNCOMPROMISING IN ITS DESIGN AND OFFERS SEAMLESS PRACTICALITY FOR THE EVERYDAY.

With inline and overlapping doors, customisable configurations and a range of colour options, you can build a shower perfectly tailored to you. And now you can dream even bigger with spans up to 2500mm wide.

- Multiple configurations
- Choose from three colour finishes: black, polished chrome or satin chrome
- The Pivot Series front only (wall to wall) showerscreens are now engineered and tested for wider spans up to 2500mm wide
- Two door styles: inline and overlap
- No visible screws or fixing

GRANGE PIVOT SERIES INLINE

ADD A TOUCH OF CLASS AND DISTINCTION TO YOUR BATHROOM WITH AN INLINE SHOWERSCREEN.

The pivot door system is engineered to withstand everyday use without disrupting the sleek design and expansive glass panels. Available in a range of standard and custom configurations, the Grange Inline showerscreens can be built to suit your vision.

- Inline pivot door for a sleek look
- Slim perimeter frame
- Easy to clean with no hidden corners
- The Pivot Series front only (wall to wall) showerscreens are now engineered and tested for wider spans up to 2500mm wide
- Available in polished chrome, satin chrome and now black
- No visible screws or fixing

GRANGE PIVOT SERIES OVERLAP

AN OVERLAP SHOWERSCREEN IS THE PERFECT FINISH TO A PRACTICAL BATHROOM STEEPED IN STYLE.

Skilfully constructed and sealed to minimise water leakage, its semi-frameless structure combines elegance and functionality. Design your dream bathroom and work with our specialist team to custom build your shower. Choose from the range of standard and custom configurations and hand pick a colour, whether it be chrome, satin chrome, or black for a bold statement.

- Overlapping door provides maximum protection against water penetration
- Slim perimeter frame creates no hidden corners
- The Pivot Series front only (wall to wall) showerscreens are now engineered and tested for wider spans up to 2500mm wide
- Tested thoroughly to ensure reliability and trouble free use
- No visible screws or fixing

GRANGE SLIDING SERIES

THE GRANGE SLIDING DOOR SERIES BRINGS LIFE TO SMALL SPACES, WITH REFINED DETAIL AND FUNCTIONALITY.

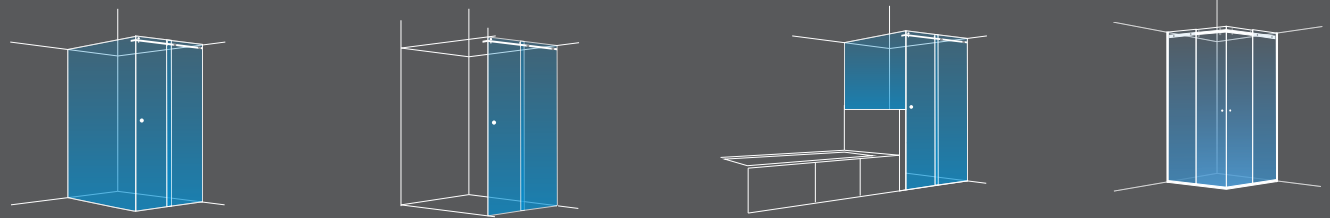

With a ball-bearing runner mechanism that allows smooth gliding and anti-lift technology, a semi-frameless Grange showerscreen paired with a sliding door is perfect for the smaller bathroom. Not only will you enjoy the benefits of functionality and space, but also sophisticated style with polished chrome fixtures complementing every design.

- Sliding contemporary door
- Smooth opening and anti-lift technology
- Range of configurations available
- New corner sliding option, ideal for bathrooms with limited space
